**Eternal Happiness?**

**All this can be yours.**

**Send me money.**

**No, really, send me money.**

In the interest of making things easier, i have supplied a self-addressed, stamped envelope. Write a check for \$45 (\$30 for undergrads), made out to the Psi Upsilon Alumni Association of Troy. In the interest of not getting or causing paper cuts, i am also accepting payment via PayPal. Send it to rcolonna@mac.com, and let me know in the note section your responses to these questions; you can send the survey at your leisure if you'd like.

**Finally, please answer the attached survey. Trust me, it will be worth your time.**
