

The Fund Raising Newsletter of the Epsilon Iota Chapter Psi Upsilon Alumni Association of Troy, Inc.

## Fund Raising Committee

October 2001

## Dear Brothers,

I'm happy to report that the house expansion is scheduled for construction this coming Summer, 2002. At this year's 3-3 general meeting of the alumni and undergrads, we agreed on the criteria for going ahead with the expansion. For more information about the expansion, please visit the alumni website at http://www.orbitals.com/psiu. The undergraduate chapter is strong, and they expect to meet their commitments easily. Our alumni commitment is to insure that we can make the required down payment.

Your past donations to the \$47K fund have gone to help pay architect's fees; the remainder of this money will become part of the down payment on the expansion. We currently have \$34,000 in the \$47K fund, which includes your past donations both to \$47K and to the old housing fund.

Our goal is to raise \$15,000 in this final \$47K fund raiser. This money will be used to meet the down payment and closing costs on the addition. This year you are invited to buy a brick! These will be decorative engraved bricks, which we will display on a wall inside the new chapter house (exact location to be determined). The standard bricks are 4" x 8" and have room for three lines of text, 18 characters per line. You can use any combination of UPPERCASE characters, symbols/Greek letters, and spacing that you want. (Your 6-year total \$47K fund contributions will be also be recognized on a plaque in the new chapter house.)

## PRICING:

- \$147 = half of a  $\Psi \Upsilon$  brick: your 18-character message on one line of a brick, with  $\Psi \Upsilon$  and EI in the middle, and someone else's message on the other line
- \$247 = one brick
- \$470 = two bricks

\$1047 = four bricks, or one granite 8" x 8" brick with room for 5 lines of text (contact me if you are interested)

Thank you for helping us to realize our goal of expanding and renovating the chapter house.

Yours in the Bonds, Ernie Daniels EI 391
